## ASHLEY WATSON | EVERSOLT JACKET IN NAVY

### FEATURES

- ★ Made from a water resistant waxed canvas, this new take on a motorcycle jacket is fully lined with an abrasive resistant fabric called Dyneema and features removable CE approved Level 2 armour at the elbow, shoulder and back
- ★ The styling takes notes from clothing worn by the pioneering riders of the early 21st Century
- ★ Triple-Stitched Seams
- ★ Armour – CE Level 2 approved armour is made from a removeable flexible composite that moulds to the body
- ★ Fully lined with Dyneema, an abrasive resistant fabric used by the Military and Police. Pound for pound it's fifteen times stronger than steel and 40% stronger than Kevlar® essentially giving the rider a second skin
- ★ Weatherproof - The outer cotton fabric features a water-resistant dry-wax coating giving the jacket performance without looking overtly technical
- ★ Storm Baffle – The jacket features a three-button neck baffle that secures the two sides of the collar to the placket, stopping wind entering at the neck
- ★ The collar is faced in a corduroy making it warm and comfortable when up-turned.
- ★ Double Zip Guard – A double storm guard cocoons the zip opening, stopping wind entering the front of the jacket
- ★ If internal zip is left open and the buttons remain fastened, air can flow into the jacket
- ★ Expandable Pockets – The two main pockets can be expanded, snappers secure the billow
- ★ The pockets are lined with a corduroy fabric. Storm guards on the flaps keep out the weather
- ★ Easy to open – Large horn buttons fasten to 14 ounce cotton twill tabs, making the jacket easy to open whilst wearing gloves
- ★ Document Pocket – Two internal chest pockets keep essential documents secure and away from any weather
